

YOUTH EMPOWERMENT SUMMIT 2018

BE EMPOWERED. BE HEARD.

As educators, non-profit leaders, and activists we are co-creating alongside our city's incredible youth-leaders and community partners to evoke, elevate, and strengthen youth voice and civic engagement. At this summit, youth will: identify their style of leadership; garner tools for their leadership; increase their understanding of diversity, equity, and inclusion; learn more about the diverse communities in Indianapolis; and connect with individuals and organizations doing important work to make Indianapolis a more just and vibrant city.
